Showcase Sydney Finals January 2021

All your questions answered here

All rules and regulations from our regional events apply to Finals including time limits and Categories, please ensure you read these along with the terms and conditions as you will agree to all these when you register at the event. These are found at www.Showcasedance.com

How do we qualify to take part in the Finals in Sydney?

All Dancers who take part in the online video qualifiers at either Showcase or Hollywood Bound are able to take part this includes all solos & duos. You are not invited take part if you have not been part of the online videos.

All acts must also score a High Silver, Gold, High Gold, Platinum Gold or Double Platinum gold to take part.

If you are attending with **groups** you are given direct entry to the finals **no** online video qualifiers are required to take part for group acts, studios are allowed a max of 20 groups. (We want to keep everyone dancing)

Still waiting on judges scores from videos and want to register for finals?

You can still register even if your scores are not back yet from the judges, as long as you have submitted a video and we can verify that you have, you can still register for finals and make payments.

How do we qualify for The League of Champions?

This is by invitation only, soloist will be selected by our judges from the online videos and will be sent an invitation to take part. This selection process will keep going right up until all video entries are completed.

> **Superstar Award:** The Superstar award is an exciting extra opportunity for each solo act entered. If you nominate your solos to be judged for Superstar award the judges will give you a separate score out of 100 for each of the solo's you register and this will be compared with the scores for all the solos for your age group that also enter "Superstar award. The highest scoring Superstar award" nominating routine at the each age group will receive a cash prize.

COVID19 update:

The Showcase Finals will be operating under the COVID19 plan that is most up to date at the time of our finals under the NSW Government regulations. As we are all getting more familiar with these in our everyday life we will be releasing this closer to the time and it should all be just part of the regular life we are all currently living under.

Credits from Regionals $

If you have any credits from the regionals IE Superstar awards, please register your acts and contact us **BEFORE** you make payment to allow for our admin staff to place the credit against your account before you make your final payments. VIP members please see your info update below on your new membership privileges. Registrations are not confirmed until you have made payment after credits have been issued and you check out with balance of payment.

Dancer of the Year:

At this time due to international border closures we are still not able to hold Dancer of the Year.

If this does change with government regulations and we are able to travel to Europe in July 2021, then we will re-asses for this to go ahead, this will be the first time in the 25-year history we are not crowning a Dancer of the Year winner. We know this will restart again in the future however right now its not possible.

SHOWCASE
